

WELDMARK®

MP200 INVERTER MULTIPROCESS WELDER

\$799

STICK, MIG AND TIG* IN ONE MACHINE

- Includes :**
- 10 foot Gas Hose**
 - Regulator/Flowgauge**
 - 10 foot Ground Cable and Clamp**
 - 10 foot MIG Gun**
 - 120V Adapter Cord**
 - 10 foot Electrode Holder and Cable**
- Exceptional Multi-Process Machine**

DESCRIPTION	SPECIFICATIONS
<p>The Weldmark MP200 is a dual voltage, portable DC inverter wire feed welder capable of welding with solid wire (with shielding gas) or with flux core wire. It comes ready to accept part number WEM-SPOOLGUN-MM optional Spool Gun for welding aluminum. This machine also has smooth DC stick capabilities and the ability to perform lift start DC TIG welding on steel and stainless steel materials with an optional two piece 17V style TIG torch WEM 17V-25R and 25mm dinse TIG connector kit WEM SL2-25.</p> <p>This Weldmark MP200 is capable of MIG welding 5/16" steel in a single pass while using 230V input power (3/16" steel when using 120V input power). It uses leading edge Inverter Technology to provide high quality welds that are crisp, clean, and consistent with plenty of power. Stick weld with electrodes up to 5/32" with this exceptionally smooth DC stick welding output. Stick weld on materials such as steel, stainless steel, cast iron, hard facing and aluminum.</p> <p>WEM MP200</p>	<ul style="list-style-type: none"> •Advanced Inverter Technology; Single Phase •120V, 20 Amp/ 230V, 36 Amp 60 Hz Input Power •MIG-Output Range 30 to 90A DC with 120V Input Power •MIG-Output Range 30 to 200A DC with 230V Input Power •STICK-Output Range 30 to 70A DC with 120V Input Power •STICK-Output Range 30 to 170A DC with 230V Input Power •MIG-Duty Cycle 40% @ 90A with 120V Input Power •MIG-Duty Cycle 20% @ 200A with 230V Input Power •STICK-Duty Cycle 40% @ 70A with 120V Input Power •STICK-Duty Cycle 20% @ 170A with 230V Input Power •Suggested Wire Diameter: .023, .030, .035 •Tweco Style Consumables •Light weight and portable at 35 lbs. •3 year parts and labor warranty by Metal Man •Spool Gun Capable– WEM SPOOLGUN-MM <small>(sold separately)</small> <p>* TIG torch and TIG connector kit sold separately</p>
