

Northern Gases and Supplies, Inc. – Cylinder Warehouse Operations

Pierceton, IN

Northern Gases and Supplies, Inc., a leading local distributor of welding equipment, industrial and specialty gases, accessories and supplies, is looking for a full-time qualified candidate for operations in our Pierceton compressed gas cylinder maintenance and filling warehouse.

Job Purpose and Duties:

- Assist with the production flow of the compressed gas cylinder warehouse
- Cylinder handling and sorting by gas and size on a daily basis
- Prepare and maintain cylinders for production and filling
- Fill various high pressure, cryogenic, and flammable gas cylinders
- Roll and manipulate cylinders including repeatedly maneuvering 100+ pounds
- Loading and unloading trailers and pallets for daily deliveries
- Operate forklift to move full and empty pallets to designated areas
- Assist with maintenance of cylinder fill plant and equipment
- Must be able to load customer orders into vehicles
- Follow all safety policies, procedures, and regulations including use of safety equipment
- Have a strong work ethic, desire to succeed, a positive attitude and the ability to be a team player

Additional Requirements:

- Maintain a clean, neat and organized work area
- Ability to work independently and to be able to be calm under pressure
- Regular attendance is required
- Perform other duties as assigned
- Must be able to operate in a drug and alcohol-free workplace
- Must be able to comply with all company policies, rules, procedures and Code of Conduct

Qualifications:

- High School Diploma or GED and one or more years related experience favorable
- Understand compliance issues and safety sensitive areas
- Good communication skills, able to speak, read, write and understand English
- Willing to learn and ability to take direction and instructions well
- Welding and gas knowledge preferred
- CDL favorable, but not required with Hazmat endorsements.

Physical Demands:

- The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.
- Able to walk and stand on feet for long periods of time
- Able to lift, carry or set down 50+ pounds

Note: This job description is not intended to be all-inclusive. Employee may perform other related duties as negotiated to meet the ongoing needs of the organization.
